Its Lottery time!

We would like to invite you to participate in an exciting way to raise money for Copdock Primary School. Not only would you be supporting an extremely good cause, but you will also have a chance to win cash prizes for 1st, 2nd and 3rd place each month!

What is a 100 club?

A 100 club is a lottery with a pre-set amount of numbered tickets. Each year parents, teachers or friends of the school pay a fixed subscription for their number(s). Each ticket is entered into a monthly draw and prizes are awarded. A percentage of the profits are given as prizes and the remainder goes to the PTA funds, to support the children. The more tickets bought, the higher the cash prizes each month.

For example, if 100 people participate, each paying £1 per month for a number (£12 annual subscription), then the total pot each month will be £100. 50% of this amount will go to the prize money, and 50% to PTA funds each month. As the prize pot is £50, the winner would get £25, the runner up £15 and third place gets £10. The PTA funds will get £50 each month. Running this monthly means that by 100 people paying only £1 per month, the PTA can raise £600 in a year. Likewise, each participant stands the chance to win £25 every month, more than covering the £12 investment.

Monthly prizes would be reduced if less than 100 people play. So spread the word!

If you would like to take part in this new fundraising, please provide £12 for one number by 30th September 2021. More than one number can be purchased if required.

Payment can be by cash, cheque or bank transfer.

Cheques payable to - Copdock Primary School PTA.
